

Thank you for choosing Pleasant Valley Meats. We look forward to working with you and hope that this sheet helps with any questions you may have.

- Cut sheets need to be ready at drop-off. There is a **\$20 fee for late cut sheets**.
- We are able to split your beef into halves or quarters. However **if you choose to quarter, two quarters need to be on ONE CUT SHEET and the cuts will be exactly the same.** If you submit cut sheets with one quarter per sheet they will be returned. Additionally if your cut sheet is for a half beef or 2 quarters please be aware that t-bones/porterhouse steaks come from the same area as the filet mignon/ny strip. You will need to choose one combo or the other, not both.
- Everything will come vacuum packed at no extra charge.
- Please place a check mark next to any cut you would like. If there are options, please circle the option you prefer.
- Any item that has an * next to it has an additional price listed in the *additional charges* section
- If your beef is 30 months or older you will be charged a \$75 fee. It also means we will not be able to return the neck and back bone to you. These are found in the t-bone, porterhouse & ribeye. So instead of t-bone and porterhouse you will receive filet mignon and ny strips and your ribeye will be boneless.
- There is a 20lb. minimum on burger patties
- Stew meat, fajita meat and cube steak all come from the round area. If you choose any of these please be aware that you cannot choose to have all of your rounds.

If you have any other questions please feel free to call us at (434) 395-1262 or shoot us an email at pleasantvalleymeats@gmail.com. We are happy to help!
